Mr. Tom Lundahl
Fluor Daniel Environmental Service
3333 Michelson
Irvine, CA 92730

Dear Mr. Lundahl:

Per our recent phone conversation, I am sending you a copy of the Statewide Recharge Potential Map of Louisiana Aquifers. Since you were interested particularly in the Lafourche Parish area, I am enclosing a detail map of that area. An accompanying booklet with data about the aquifers is also enclosed.

Sincerely,

Howard Fielding
Geologist
